

Public Notice

Long Range Multimodal Transportation Plan 2045 Draft documents for revision and Comments

The Department of Transportation and Public Works and the Puerto Rico Highway and Transportation Authority through the Office of Strategic Planning, and the Metropolitan Planning Organization herein notify to the public, municipalities, organizations, and state agencies, the availability of draft documents for the 2045 Long-Range Multimodal Transportation Plan.

Federal Law number 114-94, titled: "Fixing America's Surface Transportation Act" (FAST-Act) of December 4, 2015, stipulates and requires jurisdictions to develop a long-term transportation plan. In fulfilling its duty, this requirement also represents an opportunity to develop a transportation plan through a continuous, cooperative and comprehensive effort on a horizon of at least 20 years. After a process of citizen consultation through informative workshops and surveys, the plan documents are submitted for review and Comments.

The Draft Documents of the Multimodal long-term 2045 Include:

- 2045 Long-Range Multimodal Transportation Plan for Puerto Rico
- 2045 Long-Range Multimodal Transportation Plan for the San Juan Metropolitan Area
- 2045 Long-Range Multimodal Transportation Plan for the Aguadilla Metropolitan Area
- Long-term Multimodal Transportation Plan for Urbanized areas (population of less than 200,000 inhabitants)

Interested persons will be able to access the documents online at <http://www.dtop.gov.pr> under the 2045 Long Range link or visit the Strategic Planning Office located in the South building of the Minillas Government Center in Santurce, 15th floor.

Citizens will have Forty-Five calendar days (45) from the publication of this Notice, or until Tuesday, November 27, 2018, to examine the documents and submit comments by email to: 2045_PRLRTP@dtop.gov.pr or to:
